

Groves Elementary

Accelerated Reader Code of Conduct

The purpose of our Accelerated Reader program is to encourage a love of reading, improve comprehension skills and help build a strong vocabulary. With this in mind, students are expected to follow the Groves Elementary Accelerated Reader Code of Conduct.

1. Students may only take test on books that they have read or that someone has read to them.
2. Students may not take a test on a book which has been made into a movie unless they have read the book.
3. Students may not take test for other students.
4. Students may not help another student answer test questions.
5. Students may not discuss test questions or answers with another student.
6. Students may not share their password with another student.
7. Students may not look back in their library book for answers to test questions while they are taking an AR test unless it is under the direction of the classroom teacher.
8. We have tried to account for all situations that may arise regarding the proper use of the Accelerated Reader program.

However, certain issues or unforeseen circumstances may happen during the school year and may need to be addressed on an individual basis. The Accelerated Reader program is highly researched and when used as intended by program developers, you will see progress in your student's reading ability. All GE students who use the AR program must agree to participate with honesty and integrity.

Consequences

Students who do not follow the Accelerated Reader Code of Conduct will face the following consequences:

1. The test or tests involved will receive a score of 0. This will not allow the student to take a test on that book or books even if they read that book at a later date.
2. The student will not participate in AR reward event or for the 6 weeks grading period in which the issue took place.
3. Parents will be notified of the issue and made aware of the consequences.
4. Students who repeatedly misuse the AR program will face further consequences as deemed appropriate by the principal.

I agree to follow the Groves Elementary Accelerated Reader Code of Conduct.
