

## PORT NECHES-GROVES ISD

### ACCEPTABLE USE GUIDELINES SKYWARD FAMILY ACCESS AND SCHOOLFUSION WEBSITE PORTAL

---

Access to both Skyward Family Access and PN-GISD SchoolFusion website portals is a privilege, not a right. Registered parent(s)/guardian(s) will have access to their child's grades, attendance, discipline, vaccination records, schedule, demographic and family emergency contacts as well e-mail reminders, teacher classroom web pages, and integrated calendars for the campus(es) your child(ren) attend.

The parent(s)/guardian(s) access requires responsibility. To insure users are acting responsibly, administrators and teachers may monitor log on records and e-mail correspondence. Parents and guardians will be held responsible for the proper use of accounts, and the District may suspend or revoke access if rules are violated. (See Board Policy Manual CQ(LOCAL) online at [www.pngisd.org](http://www.pngisd.org) and follow the links: Board of Trustees / Board Policy Manual)

Inappropriate use includes:

1. Using someone else's account or accessing another individual's records without permission.
2. Downloading or using copyrighted information without permission from the copyright holder.
3. Gaining or attempting to gain unauthorized access to restricted information or resources.

Port Neches-Groves ISD makes no warranties for the access it is providing. The District will not be responsible for the accuracy, nature, or quality of information or content accessible through Internet links nor will it be responsible for any use or inability to use the systems.

Thank you for your interest. Please feel free to contact me if you have any questions or concerns.
