August 23, 2011

Dear Parent/Guardian:

Port Neches-Groves ISD is committed to providing a solution to the challenges of teaching technology to our students. In this effort, our K-5 students will be using Learning.com's EasyTech online instructional system. Students gain valuable technology skills while reinforcing core curriculum concepts. They also learn to use technology applications as problem-solving tools for classroom projects.

EasyTech is delivered through the Internet, which means the system can be accessed at school or at home. If you would like to explore some of the technology lessons, feel free to log in with your student. Use your child's grade as the username and password to access EasyTech through the Learning.com home page at: <http://www.learning.com>.

Username: _____

Password: _____

District: Port Neches-Groves ISD

USERNAMES & PASSWORDS		
Grade	Username	Password
Kindergarten	kinder	kinder
1 st	first	first
2 nd	second	second
3 rd	third	third
