

Family Access Frequently Asked Questions

All FAQ's assume you have access to the program.

<i>Please explain how my username was created...</i>	<ul style="list-style-type: none"> Your login is a combination of the first 5 letters of your last name and the first 3 letters of your first name followed by a 3 digit number. For example, John Wayne would be WAYNEJOH000 and if we had another name that was similar, such as Johnny Wayne the 3 digit number would differentiate the two: WAYNEJOH001. In the case of short last names: Since the login needs 5 letters from the last name, the person with a 2, 3, or 4 letter last name will have spaces entered to equal 5. Example: Joe Mann is: MANN JOE000 with one space after the last name. Sue Cox would be: COX SUE000 (with two spaces added after the last name). Ron Le would be: LE RON000 (with three spaces after the last name).
