PNGISD Family,

As many of you already know, Governor Abbott has made the difficult decision to keep schools closed for the remainder of the school year. The plan to gradually and safely re-open the great State of Texas will include measures to minimize the threat and resurgence in COVID-19.

PNGISD will continue to make a good faith effort to provide educational continuity for all students. The district is prepared to maintain the same distance learning instruction that has been in place since March 23rd. We are also prepared to sustain identical food service and delivery methods for the duration of this school year.

Please continue to monitor district websites and social media sites for updated information on postponed/suspended events. All district and campus administrators will be available to address questions and provide assistance to our community.

I will continue to pray for the students, staff and community of PNGISD. I believe that together we will overcome the impact and effect of COVID-19. #PNGproud #AlwaysBeFaithful
#NDNSatHOME

Sincerely,

Mike Gonzales, Ed.D
Superintendent
