PNG Family,

Today, in an executive order, Texas Governor Greg Abbott extended school closures until May 4th. The district will continue to follow the routine we currently have in place. We continue to remain hopeful that students and staff will soon return to school and resume their standard learning and teaching methods.

It is imperative that we remain positive and confident in our plan to overcome this pandemic. I encourage the entire PNG community to maintain a close and positive working relationship with our teachers and campus administrators.

PNGISD will continue to focus only on those things we can control. Our school system is doing the very best they can to achieve success in every student. Be safe and take every action you can to mitigate the spread of the coronavirus.

Sincerely,

Mike Gonzales, Ed.D
Superintendent
