PNGISD Family,

As of now, PNG is planning to resume school on Monday, March 16th. It is important to note that student attendance is at the parent's discretion. The district will not allow the absence to negatively impact student attendance records or exemptions. If you choose to self-quarantine, please contact your campus administrator beginning Monday in order to set up an academic plan.

PNGISD is asking the community to heed CDC requirements to self-quarantine if you feel symptomatic or believe you have come in contact with someone infected with the coronavirus, and contact your health care provider as soon as possible.

The district is staying informed by participating in the daily TEA COVID-19 Superintendent call with the Texas Commissioner of Education. We also continue to closely monitor all information from the Texas Education Agency and the Department of State Health Service websites.

All UIL events including athletic, music and academics have been suspended from March 16 to March 29 or until further notice.

Please continue to monitor the Coronavirus tab on the district website for future information.

Sincerely,

Mike Gonzales, Ed.D
Superintendent
