Office of Superintendent
Mike Gonzales, Ed.D

March 15, 2020

PNGISD Family,

This has been an incredibly challenging time for the PNGISD administration. Over Spring Break, the district has been closely tracking every new development in the state and area. After much consideration PNGISD is choosing to extend Spring Break until March 23, 2020. The extension will allow students and staff to self-quarantine after their spring break travels and activities. PNGISD will continue to monitor and evaluate the public health situation prior to re-opening schools on Monday, March 23, 2020. The district will communicate any updates through social media and our district web page.

During the extended break, district offices will be closed, and all district events and competitions that have been scheduled within the district during this time frame are considered postponed until further notice. The district and campus administration will continue to meet and develop an action plan for the March 23rd return to school. Be aware that changes to the 2019-2020 academic calendar may be necessary to offset the extended break.

The district apologizes for the delayed notice and the inconvenience this dilemma has created. Please remember to visit the coronavirus section of the district website for useful resources and updates. www.pngisd.org

Sincerely,

Mike Gonzales, Ed.D
Superintendent
