PNGISD family,

In a coordinated effort with County Judges, local officials and in conjunction with local school districts, PNGISD is notifying the community of its plan to provide extended learning instruction until April 3, 2020. Decisions beyond that date will be based on the evaluation and assessment of all relevant data at that time. Be aware that information and instructions on extended learning procedures will be provided in an upcoming district wide notice. Please continue to visit the district website and social media sites for updated information.

As a reminder:

All UIL activities including athletics, music and academics have been postponed by the state until March 29th or until further notice. There will be no practice or activities while campuses are closed.
