PNG Family,

As new information continues to surface and new stay at home emergency orders are placed on our communities; it has become necessary to **extend school closures to April 10, 2020.**

The PNG school district will continue to provide different forms of support for every student. The changing education landscape is challenging for every stakeholder and we emphatically request your continued support as we calmly, confidently and carefully move past these uncertain times. Our educators and support staff are committed to a learning model that sustains a form of educational continuity for every PNGISD student. In these unusual times, I will continue to lift each student, staff and community member in my prayers. Let's support each other as we have always done.

Sincerely,

Mike Gonzales, Ed.D
Superintendent
