

First Grade Discipline Plan

Dear Parents:

It is with great pleasure that we welcome your child to First grade. We can look forward to a very exciting and rewarding school year. In order to provide the students with the excellent education climate they deserve, we have developed the following Discipline Plan.

RULES:

Listen carefully.

Follow directions.

Work quietly. Do not disturb others who are working. Keep hands, feet & objects to yourself.

Respect school & personal property.

Work and play safely.

If a student stays on blue (Smooth Sailing) for the whole day, they will receive a ticket for their good behavior! Tickets can be used on Friday to purchase items at the Treasure Box! If a student breaks a rule, the student will be verbally warned. The next time a rule is broken they will move their clip down to yellow and will miss half of recess. If a rule is broken again, the child will again be verbally warned. If a rule is broken a fourth time their clip will move down to red and the student will be required to stay in a first grade teacher's classroom during recess in a study hall. The five teachers will rotate which room is to be used for the study hall. This study hall will be required for the following:

Unfinished or make-up work

•Students will stay in the classroom until their work is completed. Then they may join the others for recess.

Behavior

•Students will stay in the classroom for study hall if their conduct has not been appropriate. These students will write lines while in study hall and take it home to be signed by a parent.

***All lines are to be signed and returned the next day!**

Each sad face on the conduct calendar will be counted towards the conduct grade.

Yellow Sad Face-clip moved once **Red Sad Face**- clip moved twice

A monthly conduct calendar will be in the binder. We will discuss this plan with your child, but would appreciate it if you would review it with him/ her and then sign and return the lower portion of this form. This will indicate to me that you are aware of our Discipline Plan.

Thank you for your cooperation,
First Grade Teachers

I have read the Discipline Plan and have discussed it with my child.
